

# PRAYER TARGETS

**FOUNDATIONAL REQUESTS; UNLIKELY TO CHANGE**

**SPECIFIC REQUESTS; UPDATED MONTHLY**

**1**

**That God would supernaturally provide the resources needed for Merge to remain vision-driven, fully funded and growing in quality.**

For connections with professionals who are passionate about using film as a ministry and want to pass this to the next generation.

That God would lead us to fifteen new ministry partners that are excited about the mission and ministry of Merge by March 15th.

**That God would lead the right individuals to our organization who would humbly and lovingly serve as volunteers, worship leaders, preachers and evangelists.**

**2**

**That the board of Merge would be led by the wisdom of God, a constant passion to see teenagers come to Christ and a reliance upon God to "build the house" of Merge Student Ministries.**

**3**

Please pray for our Q1 meeting where we'll review 2024 and continue to plan for 2025.

That God would continue to sustain the faith, excitement and vision of our volunteer support-raisers as they pursue their goals.

**4**

**That those involved in Merge and their families would be supernaturally protected from Satan's designs and hinderances.**

**5**

**That Merge leadership would not be limited by a lack of vision nor distracted by an abundance of mission.**

That there would be a greater hunger for a praying community in Hernando County.

Asking for an advisory council to come together specifically for the Film Festival to keep a focus on the event throughout the year.

**That each local network would foster a vibrant, consistent prayer meeting focused on revival and the conversion of souls.**

**6**

**That the churches involved would be excited about displaying a cooperative and unified spirit for the edification of the larger church and a powerful testimony to the world. (John 17:20-21)**

**7**

Please pray for the participation of many churches from around the Tampa Bay area at our Film Festival on April 12th.

I'm asking for five new Student Directors to join us in our Hernando network meeting in the next two months.

**8**

**That youth workers would be receptive to the Holy Spirit's leading in partnering with Merge and excited about working to make it better.**

**9**

**That students would feel confident and excited about inviting their friends to Merge rallies for the purpose of seeing them come into a saving relationship with Christ.**

Asking for a specific and perfect example of the gospel portrayed artistically through film for us to share at the festival.

That our students would use the upcoming Film Festival to the best that the opportunity affords them.

**That the Holy Spirit would move powerfully and effectively on the hearts of the teenagers at our next rally, leading to genuine conversions and deeper passion in following Jesus.**
